Twelfth Meeting of the Osteopathy Board of Australia 23 September 2010

The twelfth meeting of the Osteopathy Board of Australia was held on 23 September 2010 in Melbourne.

Communication

Board members will be presenting to the Australian Osteopathic Association National Osteopathy Conference on 15 October 2010 in Melbourne.

Limited registration for osteopaths

The Board expects to release draft registration standards for limited registration in the public interest for consultation shortly. The Consultation Paper will be published on the Board's website at www.osteopathyboard.gov.au. An application form for limited registration in the public interest will be available in due course on the Board's website.

Australian and New Zealand Osteopathic Council

The Board discussed issues of mutual interest with representatives of the Australian Osteopathic Council, including assessment of overseas qualified osteopaths.

Consultation paper on work with United Kingdom and New Zealand regulators

The Board has released a consultation paper on its work with the United Kingdom General Osteopathic Council and the New Zealand Osteopathic Council towards simplifying the registration process for osteopaths moving between Australia, New Zealand and the United Kingdom. The Consultation Paper is published on the Board's website at www.osteopathyboard.gov.au. Submissions close on 4 November 2010.
