## CONTRACT FOR SERVICES

### Parties

This Contract for Services is between

**Australian Health Practitioner Regulation Agency (ABN: 78 685 433 429) ('AHPRA')**

And

**Insert name of Contractor (ABN: insert ABN) ('Contractor')**

### 1 What the Contractor must do

- 1.1 The term of this Contract ('Term'):
  - (a) begins on the date by which both parties have signed, unless a start date is specified in Item 3 of Schedule 1; and
  - (b) ends on the end date specified in Item 3 of Schedule 1, unless terminated before then.
- 1.2 During the Term, the Contractor must provide the services ('Services') and goods (if any) ('Goods') set out in item 3 of Schedule 1.
- 1.3 Further detail regarding the Services and Goods (if any) is set out in:
  - (a) AHPRA Request for Quote [insert title of RFQ] dated [insert date of RFQ] ('AHPRA RFQ'), which is Schedule 2 to this Contract; and
  - (b) the Contractor's response to the AHPRA RFQ, which is Schedule 3 to this Contract ('Contractor's Response to RFQ').
- 1.4 If there is an inconsistency between this Contract and the documents referred to in clause 1.3, the documents are to be interpreted in the following order of priority:
  - (a) this Contract;
  - (b) the AHPRA RFQ; and
  - (c) the Contractor's Response to the RFQ.
- 1.5 During the Term, the Contractor must provide the Services and Goods (if any) in accordance with the terms of this Contract and:
  - (a) all applicable laws and regulations;
  - (b) relevant industry standards;
  - (c) AHPRA's policies and procedures as notified to the Contractor in writing from time to time; and
  - (d) any reasonable directions in relation to the Services or Goods given by AHPRA from time to time.

- 1.6 The Services and Goods (if any) must be provided by the Contractor:
  - (a) in a professional manner with due skill and care;
  - (b) using appropriately skilled and qualified Personnel; and
  - (c) to a standard of price, performance, quality and efficiency expected of a highly skilled supplier of similar services and goods
- 1.7 Whilst on AHPRA premises, the Contractor and any of its Personnel must comply with AHPRA's reasonable and lawful directions and policies.
- 1.8 If a Key Person ('**Key Person**') is specified in item 5 of Schedule 1, the Contractor must cause the Key Person to provide the Services and be available for all reasonably required consultations with the AHPRA Contract Manager. The Contractor may only replace the Key Person with a person of similar qualifications, skill and experience, and who is approved by AHPRA in advance.
- 1.9 The Contractor warrants that:
  - (a) it has the right to enter into this Contract and perform the Services and provide the Goods (if any);
  - (b) the execution, delivery and performance of this Contract by it does not contravene any contractual, legal or other obligation that applies to it;
  - (c) it holds all licences, permits, consents and authorisations required under law in relation to the provision of the Services and Goods (if any);
  - (d) the provision by the Contractor, and the receipt by AHPRA, of the Services and Goods (if any) will not breach any right of a third party, including any Intellectual Property rights.
- 1.10 If the Contractor supplies Goods under this Contract, those Goods must be (unless AHPRA agrees otherwise):
  - (a) new and unused;
  - (b) of acceptable quality, fit for purpose, match their description and comply with any requirements agreed between the parties;
  - (c) delivered free of any encumbrance; and
  - (d) supplied with all relevant third party or standard manufacturer's warranties.
- 1.11 If the Contractor fails to deliver the Services or Goods (if any) to AHPRA's reasonable satisfaction by the last day of the Term, AHPRA may at its own option extend the Term until the Services or Goods (if any) are delivered or AHPRA otherwise notifies the Contractor.

## **2 Fees**

- 2.1 The Fees payable to the Contractor for the Services and Goods (if any) are specified in item 4 of Schedule 1 ('**Fees**').
- 2.2 The Contractor must send AHPRA an invoice after it has provided the Services and Goods (if any) or in accordance with any Fee Schedule set out in Item 4 of Schedule 1. If required by AHPRA, it must also provide details of the Services provided.
- 2.3 If the Contractor is liable to pay GST for a taxable supply it makes under this Contract, its invoice must be a valid tax invoice, and AHPRA need not pay until it receives this tax invoice.
- 2.4 If the Fees are consideration for taxable supplies, they include an amount equal to the GST payable in respect of those supplies.
- 2.5 Without limiting clause 2.4, all taxes, duties and government charges regarding this Contract must be paid by the Contractor.
- 2.6 Unless AHPRA disputes an invoice, it will pay the Fees within thirty (30) days of receiving the invoice.
- 2.7 AHPRA may withhold payment of any amount which in good faith it disputes is payable until the dispute is resolved.
- 2.8 Words defined in the *A New Tax System (Goods and Services Tax) Act 1999* (Cth) have the same meaning in this clause and clause 3.

### 3 Expenses

- 3.1 The Contractor may only claim expenses:
- (a) where Item 4 of Schedule 1 specifies an amount for expenses or AHPRA agrees in writing, in advance, to pay expenses;
  - (b) up to the amount specified in Item 4 of Schedule 1 or approved by AHPRA in writing; and
  - (c) on the basis of actual expenses incurred, substantiated to AHPRA's satisfaction.
- 3.2 If AHPRA agrees to reimburse the Contractor for expenses, and the Contractor can obtain an input tax credit on an acquisition associated with those expenses, the amount AHPRA is required to pay is:
- (a) reduced by the amount of that input tax credit; but
  - (b) increased by any amount of GST payable by the Contractor in respect of the reimbursement.

### 4 Confidentiality and Privacy

- 4.1 In providing the Services, the Contractor must comply with the *Privacy Act 1988* (Cth) and the privacy provisions in Part 10, Division 1 of the *Health Practitioner Regulation National Law* ('the **National Law**') (as in force in each state and territory) in the same way that AHPRA would be bound to comply with those Acts. The Contractor must also do anything reasonably necessary within its power to ensure AHPRA complies with those Acts in relation to the Services, and that it handles any personal information acquired under the Contract in accordance with AHPRA's privacy policy (available at: <http://www.ahpra.gov.au/About-AHPRA/Privacy.aspx>).
- 4.2 AHPRA and the Contractor must keep each other's confidential information, as defined in clause 4.3 ('**Confidential Information**'), confidential and must not disclose, or permit disclosure, of that information except:
- (a) where necessary to perform obligations or exercise rights under this Contract, or to audit activities under the Contract;
  - (b) as authorised or required by law, or where the information is used in relation to legal proceedings;
  - (c) if the information is required by a public sector auditor (as defined in the National Law), a Parliament or committee of a Parliament, or the National Health Practitioners Ombudsman or Privacy Commissioner in the course of performing their statutory duties;
  - (d) where the information is already made public other than by breach of this Contract; or
  - (e) where the other party gives prior written consent to the disclosure.

Without limiting the foregoing, the Contractor must comply with the confidentiality provisions in Part 10, Division 2, of the National Law in the same way that AHPRA would be bound to comply with those provisions.

(For example, this means the Contractor and the people it engages have a duty of confidentiality regarding 'protected information' under the National Law – see Part 10 of the National Law).

- 4.3 Subject to clause 4.2(a) to (e), Confidential Information includes, but is not limited to:
- (a) any information that a party maintains in confidence or marks as confidential;
  - (b) information that by its nature, and in the circumstances, would be regarded as confidential by a reasonable person; and
  - (c) internal administrative, financial and personnel data of a party.
- 4.4 The Contractor must not collect, use or disclose:
- (a) personal information or health information (as defined in the *Privacy Act 1988* (Cth)); or
  - (b) protected information (as defined in the National Law),
- except to the extent reasonably necessary to provide the Services.
- 4.5 The Contractor must:
- (a) make each person it engages to perform the Services sign a confidentiality deed using the form attached to this Contract, before giving them access to any of AHPRA's Confidential Information; and
  - (b) if it becomes aware of a breach (or possible or anticipated breach) of the deed, take action to enforce the deed, including all reasonable actions directed by AHPRA (and authorises AHPRA to enforce the deed if the Contractor fails to do so).

- 4.6 The Contractor must keep all of AHPRA's Confidential Information and any personal information in its control secure and protect it from unauthorised use.
- 4.7 The Contractor must:
- (a) return to AHPRA, or at AHPRA's request, securely destroy any hard copies of AHPRA's Confidential Information and any personal information acquired under this Contract it holds; and
  - (b) delete any electronic copies of AHPRA's Confidential Information and any personal information acquired under this Contract it holds, or securely destroy the medium (e.g. disc) on which those electronic copies are held,
- after it completes the Services, unless it is legally required to keep that information for record-keeping purposes. To avoid doubt, the confidentiality and privacy obligations imposed by this Contract continue to apply to that information.
- 4.8 AHPRA may conduct audits to verify the Contractor's compliance with clause 4. The Contractor must provide access to its records and premises, and provide assistance, as reasonably required to enable AHPRA to carry out audits under this clause.
- 4.9 AHPRA will:
- (a) provide reasonable notice to the Contractor of a proposed audit (being not less than 72 hours);
  - (b) use its best endeavours to schedule and carry out audits so as to minimise impact on the Contractor's operations;
  - (c) only exercise this audit power as many times as reasonably required to confirm compliance with clause 4;
  - (d) in carrying out an audit, comply with the Contractor's reasonable and lawful policies and directions; and
  - (e) pay the Contractor's reasonable and substantiated expenses incurred in relation to an audit.
- 4.10 Despite anything else in this Contract, its terms may be publicly disclosed, provided this does not disclose Confidential Information or Intellectual Property of a party in a way that would cause significant commercial disadvantage to that party.

## 5 Freedom of Information

- 5.1 The Contractor must provide AHPRA all information in its control that is necessary for AHPRA to comply with the *Freedom of Information Act 1982* (Cth) in relation to this Contract and the provision of the Services and Goods (if any), on request and at no cost.

## 6 Intellectual Property

- 6.1 AHPRA does not obtain any interest in the Intellectual Property created independently of this Contract (**'Background Intellectual Property'**).
- 6.2 Where the Services include Background Intellectual Property, the Contractor grants AHPRA a perpetual, non-exclusive, world-wide, royalty-free licence to use and adapt it (and to sub-licence it) so that AHPRA is able to enjoy the full benefit of the Services.
- 6.3 The Contractor assigns AHPRA ownership of all Intellectual Property in materials created in the course of providing the Services (**'Project Intellectual Property'**). If Project Intellectual Property belongs to Personnel engaged by the Contractor, the Contractor will arrange for it to be assigned to AHPRA.
- 6.4 AHPRA grants the Contractor a perpetual, non-exclusive, world-wide, payment-free licence to use and adapt the Project Intellectual Property for non-commercial purposes.
- 6.5 AHPRA grants an exclusive, non-transferable, royalty-free licence to the Contractor to use and adapt AHPRA's and National Boards' Intellectual Property to the extent necessary for the Contractor to perform the Services, solely for the purpose of performing those Services. To avoid doubt, the Contractor is not licensed to use or adapt AHPRA's or a National Board's Intellectual Property for any other purposes, and this licence only applies during the Term.
- 6.6 The parties warrant that they have the necessary rights, or will obtain them, to perform this clause 6.

## 7 Moral rights

- 7.1 The Contractor:
- (a) agrees not to enforce against AHPRA or a National Board any moral rights (as defined in the *Copyright Act 1968* (Cth)) it may have in the Background Intellectual Property and Project Intellectual Property, so that AHPRA is able to enjoy the full benefit of the Services; and

- (b) warrants that use of the Background Intellectual Property and Project Intellectual Property by AHPRA or a National Board for the purpose of enjoying the full benefit of the Services will not infringe the moral rights of any other person.

('Moral rights' are defined in the *Copyright Act 1968* (Cth) to include, for example, a right to attribution of authorship of a work, and a right to object to modifications of that work).

## **8 Publication**

- 8.1 If the Contractor wishes to publish information regarding this Contract, it must give AHPRA a copy of the proposed publication at least thirty (30) days before doing so. The Contractor must take into account AHPRA's comments regarding the publication and must modify or delete any part that AHPRA reasonably believes contains AHPRA's Confidential Information.
- 8.2 The Contractor agrees to acknowledge AHPRA's contribution to any publication.

## **9 Status of Contractor**

- 9.1 AHPRA is engaging the Contractor as an independent contractor and nothing in this Agreement is intended to make the Contractor, or any person it engages or employs, an agent, representative, partner or employee of AHPRA.

## **10 Indemnity and insurance**

- 10.1 The Contractor indemnifies the National Boards, AHPRA and its Personnel against any cost, loss, claim, charge, liability or damage that a National Board, AHPRA or its Personnel may reasonably sustain or incur directly or indirectly as a result of:
- (a) breach of the Contract by the Contractor or any person it engages; and
  - (b) any negligent, unlawful or fraudulent act or omission or wilful misconduct in connection with the Contract by the Contractor or any person it engages.
- 10.2 For the purposes of clause 10.1, 'claim' includes all demands, rights, actions and proceedings of any kind.
- 10.3 The Contractor's liability under clause 10.1 is reduced to the extent a National Board, AHPRA or its Personnel caused or contributed to it by a negligent or unlawful act or omission.
- 10.4 The Contractor will not be liable to a National Board or AHPRA under clause 10.1 for any loss of profits.
- 10.5 AHPRA holds the benefit of this indemnity on trust for the benefit of the National Boards and AHPRA's Personnel.
- 10.6 AHPRA must take reasonable steps to mitigate its loss.
- 10.7 Nothing in this Contract is intended to limit or otherwise contract out of Proportionate Liability Legislation.
- 10.8 The Contractor must on and from the start of the term of this Contract have:
- (a) public liability insurance coverage for at least \$5,000,000 for any one occurrence;
  - (b) if this Contract includes the provision of Goods, product liability insurance coverage for at least \$5,000,000;
  - (c) workers compensation insurances required by Australian laws;
  - (d) Unless Item 7 of Schedule 1 states to the contrary, professional indemnity insurance coverage for at least \$2,000,000 for any one claim; and
  - (e) any other insurance nominated in Item 7 of Schedule 1,
- with an insurer authorised under the *Insurance Act 1973* (Cth) and provide certificates of currency if AHPRA requests them.
- 10.9 Any insurance policies that provide cover on a 'claims made' basis must be maintained for no less than six years after the completion of the Services or termination.

## **11 Termination**

- 11.1 This Contract may be terminated if both parties consent, or by AHPRA giving thirty (30) days' prior written notice to the Contractor.
- 11.2 AHPRA may immediately terminate this Contract by written notice to the Contractor if:
- (a) the Contractor breaches the Contract, and does not rectify the breach within seven (7) days of being asked to do so;

- (b) the Contractor is unable to pay all its debts when they become due, or enters into any form of insolvency, external administration or bankruptcy;
  - (c) there is a change in the identity of the person who has control of the Contractor (that is, the power to direct or cause the direction of the management and policies of the Contractor, whether through ownership of voting securities, by contract or otherwise) from the person who had control at the time the Contractor signed this Contract, or in the case of a professional partnership that partnership merges or otherwise combines with another professional service firm without the prior approval of AHPRA;
  - (d) the Contractor's conduct brings its reputation into disrepute and AHPRA believes its continued association with the Contractor will be detrimental to AHPRA's reputation; or
  - (e) a conflict of interest exists or arises as described in clause 13.11.
- 11.3 Any termination of this Contract will not affect the accrued rights, claims or liabilities of a party under this Contract.
- 11.4 If this Contract is terminated, AHPRA is not liable to pay for Services provided after termination.

## **12 Dispute Resolution**

- 12.1 Subject to clause 12.7, if there is a dispute about this Contract or an invoice issued by the Contractor, the parties must do the following.
- 12.2 Senior representatives from each party must meet and try to resolve the dispute quickly and informally.
- 12.3 If the parties cannot agree within ten (10) business days, either may give the other a notice requiring mediation by a mediator appointed jointly by the parties. The notice must state the matters in dispute. If the parties cannot agree on a mediator, the mediator will be appointed by the President of the Law Institute of Victoria.
- 12.4 Each of the parties must co-operate fully with the mediator.
- 12.5 A party may only commence legal proceedings when the mediator states in writing that it is no longer productive to continue the mediation.
- 12.6 Despite the existence of a dispute, the Contractor must (unless requested in writing by AHPRA not to do so) continue to perform the Services.
- 12.7 This procedure for dispute resolution does not apply to an act relating to termination or legal proceedings for urgent interlocutory relief.

## **13 General**

- 13.1 The laws of Victoria (excluding its choice of law rules) apply to this Contract, and the parties submit to the exclusive jurisdiction of the Courts of that State.
- 13.2 The Contractor must ensure that it and the people it engages comply with all relevant laws in connection with this Contract.
- 13.3 If any clause or part of any clause of this Contract is in any way unenforceable, invalid or illegal, it is to be read down so as to be enforceable, valid and legal. If this is not possible, the clause (or where possible, the offending part of the clause) is to be severed from this Contract without affecting the enforceability, validity or legality of the remaining clauses (or parts of those clauses).
- 13.4 This Contract is the entire agreement of the parties regarding the matters set out in it and supersedes all other representations, agreements, statements and understandings between them, whether verbal or written, and whether made before the signing of this Contract or during the provision of the Services.
- 13.5 This Contract may only be varied with the written consent of each party.
- 13.6 Notices regarding this Contract must be sent to the Contract Managers specified in Item 6 of Schedule 1.
- 13.7 An obligation or warranty on the part of 2 or more persons binds them jointly and severally and an obligation or warranty in favour of 2 or more persons benefits them jointly and severally.
- 13.8 Except with the prior written consent of AHPRA, the Contractor may not:
- (a) assign the whole or any part of the Contractor's rights; or
  - (b) assign or sub-contract the whole or any part of the Contractor's obligations, under this Contract.
- 13.9 If AHPRA does consent to the Contractor sub-contracting any of its obligations under this Contract, the Contractor:
- (a) remains liable for the due performance of those obligations as if it were performing them itself; and

- (b) must ensure that the sub-contractor is bound to comply with the terms of this contract in relation to those obligations.
- 13.10 If any party does not exercise (or delays in exercising) any of its rights, that failure or delay does not operate as a waiver of those rights.
- 13.11 The Contractor warrants that no conflicts of interest exist, or are expected, relevant to the performance of its obligations under this Contract. If a conflict of that kind arises, the Contractor must notify AHPRA as soon as practicably. AHPRA may decide in its absolute discretion, without limiting its other rights under this Contract, that the Contractor may continue to provide the Services under the Contract.
- 13.12 The Contractor represents and warrants that:
- (a) the individual who executes this Contract for the Contractor has authority to do so; and
  - (b) it has the capacity to deliver and comply with its obligations under this Contract.
